

SKILLCENTRED QUEENSLAND CONSTRUCTIONS PTY LTD QUALITY POLICY STATEMENT

SkillCentred Queensland Constructions Pty Ltd has been operating from Gympie since 1981. We are a licensed community project builder, an experienced Boat Ramp installer and manufacturer of pre-cast concrete products. Based out of our purpose built Trades Training and Construction Centre, SkillCentred works predominately throughout Queensland and Northern New South Wales.

It is our policy to ensure that any work carried out within the scope of the business complies with the Quality Management System and applicable regulatory requirements.

The Compliance Manager has been appointed as the Management Representative for the purposes of the Quality Management System. The Management Representative has the full support of SkillCentred to establish, implement and maintain the Quality Management System in accordance with this manual, AS/NZS ISO 9001:2016, ISO 45001 work health and safety management standard and other applicable regulations, standards and guidance.
